Action Day – 2nd April

On Tuesday the 2nd April, The Green Schools Committee are organising their annual Action Day. As our theme for this year is Travel and Global Citizenship, we would like ALL children to make a special effort to travel to school in an environmentally friendly way on this date.

They can either walk, cycle, take the bus, scoot, park and stride or carpool. During a recent survey carried out by the Green Schools Committee we have found that very few children cycle to school.

We encourage all children to wear high-vis jackets and those cycling and scooting to also wear helmets. We hope you all support our Action Day
