

Best of luck to our 6th class boys who are making their Confirmation tomorrow at 3pm. We hope the boys and their families have a very special day. A word of thanks to their teachers Ms O' Connell and Mr O' Boyle who have prepared them so well for this occasion. School closes at normal time 2.30pm tomorrow.

Traffic concerns-

Please do not park in front of the school at drop off or pick up times. Reversing onto the main road at these times is just an accident waiting to happen. Little children are crossing from the opposite side of the road and could easily be hit. Please walk your child across the road and see them to the front gate if you are concerned about your child's safety. We all see the danger involved and we remind parents frequently not to park at the front of the school however it still continues to happen.

Thank you to all the parents who allowed and supported their sons to participate in the school Parade on Sunday. The boys as always rose to the occasion and did themselves proud. Thank you for ensuring they arrived on time, were collected on time, came in full school uniform etc.

These commitments will undoubtedly stand to the boys in years to come. We say farewell to our 6th class longstanding band members. We will miss you and we hope your experience in the band was one of joy, fulfilment and pride.

Thank you to all the adults involved in preparing the boys, Ms Mc Donagh, Ms O Connell, Betty and our exceptional past pupil, Adam Cox who is with us on work experience. Go Raibh Míle maith agaibh.

School Hats.

Band members purchased school hats for € 10. They looked great and are of good quality.

They are now available for all students to buy for 10€ if you wish to purchase one.

The JEP Showcase Day will take place this Friday in the school hall. All classes will be invited to see the work of our 5th class students. There will be TEEE Bags for sale and any child who ordered one will be able to pick them up on the day.

In 2015, a European Commission report found that students participating in entrepreneurship education were more likely to start their own business, and their companies tended to be more innovative and more successful than those led by persons without entrepreneurship education backgrounds.

While entrepreneurship education is not formally on the primary school curriculum, its value in terms of the wide-ranging educational benefits it delivers is recognised and programmes such as JEP are encouraged.

First Confessions

March 28th 11 30am

Parents Welcome

Children may be collected from the school after the ceremony and taken home once they are signed out.

'Sweeter Than Roses', a concert for Voices for Galway, Down Syndrome Galway, Auditorium at Galway Community College March 22nd at 8pm. Helen Hancock Soprano, Joanne Cater Flute and Mark Keane Piano.
