Times Tables Rockstars

Congratulations to Ms Conneely's fourth class who won the 'Top Class' in the country for their 'Times Tables' speed and accuracy on an online maths programme. It was very close in the end with stiff competition between 4th class of Scoil Iósaif Naofa and two classes in Dublin. Well done 4th class and Ms Conneely. 50Euro Amazon voucher on the way to the class.

We hope you all have a happy and healthy break over mid term. Thank you all for co-operating so well with our School's COVID Response Plan.

We have been very fortunate to be as far as mid term with all classes still in school and we appreciate all of your efforts made to date to ensure our school remains open.

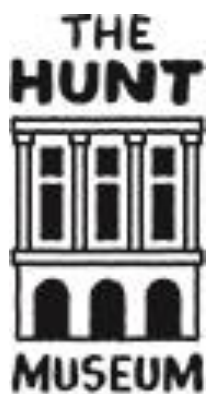

Now that we are adhering to level 5 restrictions we hope that we will return to school knowing that all of our social contacts have been completely reduced and hopefully this will stand to us all.

Thank you to all our staff for working tirelessly to keep our classrooms safe.

*** Boys are invited to dress up for Halloween on Friday if they wish. They are allowed to bring in a treat for themselves in their Lunch Boxes. No Nuts allowed.

Lots of online learning happening in Scoil Iósaif Naofa. Whilst school life may be different the boys are engaging in many different programmes online which are all bringing a little of the wider world into our classrooms.

Museum Workshop

The sixth class will take part in a virtual workshop on Wednesday the 21st of October where the boys will discover a virtual museum.

Mini Medics

Mini Medics – FIRST Aid Course For children.

Huge Thank you to Linda Moran (mother of Robert 3rd class) for bringing this opportunity to Scoil Iósaif Naofa. The boys in 3rd and 4th classes will participate in a 2 hour online first aid course and will get first hand experience of working with mannequins in their classroom.

What a wonderful opportunity for the boys. All classes will avail of this class after mid term.
