Covid Update

Please see attached an updated HSE document which is one to print out if possible and have close by for reference. One update is isolation period is now reduced from 14 days to 10 days. This document covers all scenarios and is an excellent resource to have close by to inform you of action to be taken if your child has covid symptoms, other sickness, or is a close contact etc. It also explains what to do with other household members.

Again if and when we have a confirmed case in the school we will take our direction from the HSE as to correct course of action. We will handle each individual case in a calm and and measured manner.

School Magazine.

We are delighted to say our School Magazine 2019/2020 is just hot off the press. It is truly a masterpiece and one for the memory box. Well done to all of the boys who contributed to the publication and to our wonderful editors Corrina Maguire and Trish Sweeny, who gave so generously of their time to compile the magazine.

The magazine is currently on sale for 8€. It is a full colour, glossy magazine full of stories, poems, etc.

If you would like a copy of the magazine please send in 8€ in a sealed envelope with your child's name, class and teacher's name on the front of the envelope. Money not in an envelope will not be accepted.
