SFI Discover Science & Maths Award.

Congratulations to all of our boys and teachers who under the leadership of Ms Majella Lavelle are once again awarded the Science and Maths award for the 2019/2020 school year. We have also been awarded a Badge of Excellence for STEM awareness. This is by no means an easy award to achieve but through motivation and interest, Scoil Iósaif Naofa are proud to once again fly this prestigious flag of excellence.

Please see our school facebook page and website to see how our classes engage in these activities and to get an insight into the wonderful teaching & learning experiences our pupils are exposed to.

(Scoil Iósaif Naofa is otherwise known as Scoil Na NGasur in the department's records).
