# Our Fundraiser

As you are aware our PA have been unable to organise any fundraising events to support our school over the past year due to Covid restrictions. Needless to say we are very conscious of dwindling funds. Whilst the department have provided extra funding due to Covid it is nowhere near meeting our school needs and expenses.

Fundraising is a vital part of a school's efforts to ensure we have resources and facilities in order to meet the requirements of our school curriculum.

With this in mind, we are, together with the support of the PA, facilitating a school lotto fundraiser which will start from the first week back after the Christmas Holidays.

This is a great opportunity for us to raise much needed funds and to spread the word and encourage relatives near and far who may be able to contribute 2€-5€ per week. How exciting it would be to hear of a Granny or Grandad in Poland or Cork winning Scoil Iósaif Noafa's jackpot lotto!!

Please follow this news over coming weeks as we prepare for the launch in early January.

RTE Christmas Art COMPETITION.

We're closely watching the RTE Christmas Art Competition that Ms Conneelys 4<sup>th</sup> class entered this year.

If you click on the link below you'll see a preview of the Art on display. One of our 4<sup>th</sup> class students, Pedro identified his piece of art seen at 0.51 in the clip. Maybe some more works of art from 4<sup>th</sup> class can be spotted! Best of luck Buachaillí and well done for participating.
