

Congratulations to all of the boys in 3rd class who are making their First Communion on Friday September 17th.
We hope you have a lovely day.

Please see the attached document – Covid-19 Isolation Quick Guide which is a useful guide to have to hand in relation to Covid-19 isolation guidelines etc.

If your child has been absent, please email your class teacher the declaration form attached to this email.

If you do not have access to a printer, please just email your teacher stating that your child is fit to come back to school and you have followed all procedures as necessary if Covid-19 symptoms were present.

Reminder again please to label all jumpers and coats. We have eight jumpers here at reception gathered since Friday last going to charity as unlabelled and no one claiming them. Children have been asked to reclaim if missing a jumper however we still are left with eight!

PLEASE LABEL ALL JUMPERS AND COATS.

Google form – Parental Consents

Please fill in the Google form link below for your son. It is vital that every child in the school has this completed by one parent. (One submission per child)

This will grant permission to your child to participate in various local educational trips within Oranmore townland etc, give permission to having their photograph taken and posted on our school facebook and website page
