

Newsletter May 3rd 2022

Dates to Remember

Monday May 16th School Closed to facilitate our final staff meeting and training for staff as per department guidelines.

Confirmation – Tuesday 10th May 2pm

*****Communion - Friday 13th May 11 am *** Please see flyer attached from PA.**

Tim Brennan (Brennan Photography) will be at the church before and after each ceremony if you wish to get family photos taken.

Each family will be assigned a pew and that pew can be filled with family members.

As our numbers are not legally restricted this year, you are asked to limit the numbers you are inviting if at all possible in light of the ongoing risks of Covid. There will be seating reserved – one pew per family – but additional seating is available behind these reserved seats and at the sides of the church for those that wish to bring one or two extra guests.

Car Park Restrictions next week .

Please see flyer attached re restricted parking at Church car park next week.

Sport

i think i'm going to hurl

Congratulations to Jack Ackman who played on Galway Mini Games Team – hurling, at half time in Pearse Stadium at the weekend.

Best of luck to Danny O 'Shea who will play on the Galway mini Games Team football this coming weekend.

We are very proud of you both!

'Please Give Rugby A Try'

For any of you who may have daughters interested in giving rugby a try please see attached flyer.

Taster sessions Sat mornings in Oranmore.

Please take note of date above Monday 16th May as a school closure day. We are combining our final staff meeting along with our training half day to allow for a full school closure as per department guidelines.

Green Schools

Congratulations to our Green school Committee - Co ordinators and our whole school community on being successful in our recent application for our Green Flag. The assessing team at Green-Schools were very impressed with our application and work completed. congratulations to all involved!

Standardised Tests

Over the next few weeks all classes will be completing their 'Drumcondra tests', in Literacy and numeracy.

Please click on link below explaining what exactly a standardised test is and the significance of its results.
