Summer Programme 2022

This year's summer programme is building upon 2021's programme. Children who meet a certain criterion as laid down by the Department of education will be eligible.

In the coming days we will reach out to families whose son is eligible for the programme.

This School based programme will run pending on staffing levels. If we are unable to run the School Based programme parents can apply for the home based programme whereby a teacher/ SNA works with the child from their home for the duration of 2-3 weeks.

We will be in contact with you once we have established pupil's eligibility.

You can also email the school if you wish your child to be included in the school or home based programme.

Green Schools

It was wonderful to see over 50 pupils cycle to school this morning as part of Cycle to School Week.

All cyclists received a healthy treat to encourage and reward them for making an effort
