### **Dates to Remember**

13<sup>th</sup> -17<sup>th</sup> February - Mid term break – school closed

### **6<sup>th</sup> Class Educational Passports.**

Pupils in 6<sup>th</sup> class have been given an envelope containing 2 documents that must be completed and returned to their class teacher by Friday 10<sup>th</sup> February.

These documents, together with their report in June, are referred to as the pupil's 'educational passport'. These information documents are to assist and support your child's transition to secondary school.

Each child's educational passport is sent to the respective secondary school prior to June.

In returning your child's documents you are also giving permission to us in Scoil Iósaif Naofa to transfer the documents in June to your son's secondary school.

**PLEASE COMPLETE AND RETURN BEFORE FRIDAY.**

## **School Magazine 2022/23**

It's that time of year again when we are starting to compile our annual and much loved school magazine.

We are looking for sponsorship to allow us to publish this magazine.

Please see message below from our co coordinating lead on this project, Majella Lavelle.

### **School Mag 2023**

Would you like to advertise your business while helping Scoil Iósaif Naofa at the same time?

Why not consider advertising your business in our school magazine?

In order to produce our school magazine, we are seeking sponsorship from local businesses in return for placing an advertisement in the magazine.

The advertisements which we can offer are as follows:

Half page - €50

Full page - €100

This is a great opportunity to promote your business in our school community. The magazine is distributed to almost 150 households each year.

If you are interested in taking up one of these offers, I would appreciate if you could contact me at [majella.lavelle@oranmoreboysns.ie](mailto:majella.lavelle@oranmoreboysns.ie) to discuss how we can proceed going forward.

## Road safety Attention

We had a very near serious accident on Friday when a child was hit by a car as he ran across the main road to parents standing on the other side of the road. Thankfully the child was uninjured but it gave everyone a terrible shock. It's impossible not to think of the 'worst case scenario'...

Please remember children have a natural inclination to run in the direction of a parent.

Going forward please cross the road to collect your child, do not allow them to walk or run across the road unattended, especially in younger classes. We cannot take risks.

Please talk to your child about the dangers of the road especially in front of the school.

**Please remember to put your son's name on their coat  
and school uniform**
