## Creative Clusters

The school has been part of a Creative Cluster project over the last two years whereby the boys have had many opportunities to work with artists and partake in lessons producing beautiful pieces of work. We will be holding a Creative Cluster Art Exhibition with all the local schools involved in Calasanctius Secondary School on Friday the 26th of April from 5pm-7pm. Everyone is welcome to attend and view the wonderful creations.

This might also be an opportunity for our current 6<sup>th</sup> class to visit Calasanctius prior to starting in September.

Well done to our Lead teachers involved, Ms Woods and Ms Quinn and all the pupils.

Well done to the boys in Ms Conneely's 4th class who published a book this week. During January and February, they worked in conjunction with Galway Aquarium to learn more about fascinating sea creatures. The title of the book is 'Sea Animals' and the boys dedicated their book to all the endangered sea creatures in the world. Each child published a piece of writing with a wonderful picture to match. The boys worked so hard editing and redrafting their work and we are so proud of the results.

We are currently looking at our WellBeing targets in Scoil Íosaif Naofa as a part of our Well Being Framework – We'd love to gather your thoughts from a parent's perspective in order for us to reflect and learn as we move forward.

Please support us in our work by filling out the following google form. It will take 2-3 minutes.

Thank you for your time.
